<i>Open discussion dedicated exclusively to the Communication Action Plan; interaction among all members in an open debate.</i> |
| 13:00 – 14:30 | Teamwork: Parallel Sessions, Teamworking Light Lunch and Mingling of Working Groups
<i>Meetings of the working groups of Forum experts. Each meeting will be chaired by the respective Forum Area Leader. All meetings will be held in the same building in 1 or 2 large rooms and the teams will be dispersed inside. Sufficient time is foreseen to allow also for mingling of the WGs.</i> |

To maximize the outcome of these physical meetings, a preparatory coordination teleconference meeting among each team's member will maybe have to be organized in advance on Team Leader's responsibility with the support of the Consultant.

Structured Discussion: Pairing of Working Groups

'Pairing of groups' refers only to this session of the Plenary, aiming to enhance the interaction between the groups. In this session, the leader of each group will deliver a brief presentation, also including notes on the outcome of the WG meetings. It is not necessary to have a common presentation for each pair of WG; however, the common discussion will provide the opportunity to discuss and confront with the entire Forum.
